

IRELAND'S FUTURE

1st November 2019

A Thaoisigh,

We write to you as citizens to record our deep concerns about the negative repercussions which Brexit will have for our country, for the Good Friday Agreement and for the peace process.

Brexit has changed everything. The constitutional, political, social and economic status quo on the island of Ireland is now in flux.

Discussion about the reunification of Ireland has moved centre stage. Many citizens are already involved in formal and informal discussions about this. We believe that a new conversation is now required about our shared future on the island of Ireland. The Government needs to plan for this.

A clear majority of people in Ireland, both in this state and in the North, want to remain in the European Union. The majority of citizens in the North voted to remain in the 2016 referendum. This includes many Unionists. In recent years a conversation about Ireland's future, and the place of Unionists in it, is publicly taking place among Unionists. This is a welcome development.

Irish citizens should continue to enjoy the rights which accrue from membership of the European Union, as well as the full protection of the European Court of Justice. It is the responsibility of the Government to ensure that the democratic wishes and rights of Irish citizens are respected and protected, regardless of where they live on the island.

Let's have a discussion on how this can be achieved. We would urge you to start this process, based on the vision of democratic change set out in the Good Friday Agreement. Start planning now.

We ask the Government to establish a Citizens Assembly reflecting the views of citizens North and South, or a Forum to discuss the future and achieve maximum consensus on a way forward.

Is sinne le mórmheas,

IRELAND'S FUTURE

1 Samhain 2019

A Thaoisigh,

Táimid ag scríobh chugat mar shaoránaigh lenár n-imní ollmhór a léiriú faoi na himpleachtaí diúltacha atá i ndán dár dtír, do Chomhaontú Aoine an Chéasta agus don phróiseas síochána mar gheall ar an Bhreathimeacht.

Tá gach rud athraithe de dheasca an Bhreathimeachta. Tá an status quo in Éirinn ar féithbhogadh maidir le cúrsaí bunreachtúla, polaitiúla, sóisialta agus geilleagair.

Tá an plé faoi athaontú na hÉireann anois i lár an aonaigh. Tá cuid mhór saoránach páirteach cheana féin i ndíospóireachtaí foirmeálta agus neamhfhoirmeálta i dtaca leis an ábhar.

Creidimid féin go bhfuil comhrá nua anois de dhíth maidir lenár dtodhchaí chomhroinnte ar oileán na hÉireann. Is gá don Rialtas pleanáil a dhéanamh mar gheall air sin.

Tá tromlach de mhuintir na hÉireann, sa stát seo agus ó thuaidh, ag iarraidh fanacht san Aontas Eorpach. Sa reifreann in 2016 chaith formhór na ndaoine a vóta chun fanacht. Ina measc siúd bhí roinnt mhaith aontachtóirí. Le blianta beaga anuas, tá plé ar bun i measc aontachtóirí faoi thodhchaí na hÉireann agus faoina ról féin sa todhchaí sin. Cuirtear fáilte roimhe sin.

Ba chóir go leanfar leis go mbeidh na cearta a bhaineann le ballraíocht an Aontais Eorpaigh, go mbeidh na cearta sin ag saoránaigh Éireannacha feasta, chomh maith leis na cosaintí a bhaineann leis an Chúirt Bhreithiúnais Eorpach a bheith acu. Tá sé de dhualgas ar an Rialtas a chinntiú go mbeidh meas ar mhianta daonlathacha saoránach Éireannach agus ar a gcearta; agus go ndéanfar sin a chosaint beag beann ar an áit ar an oileán a bhfuil cónaí orthu.

Bíodh an comhrá againn faoin dóigh leis sin a bhaint amach. Molaimid duit tús a chur leis an phróiseas sin, bunaithe ar an fhís atá i gComhaontú Aoine an Chéasta maidir le hathrú daonlathach. Cuirtear tús leis an phleanáil anois.

Iarraimid ar an Rialtas Tionól Saoránach a bhunú chun tuairimí saoránach thuaidh agus theas a léiriú; sin nó Fóram a bhunú inár féidir an todhchaí a phlé chomh maith leis an dóigh chun an chomhthoil is mó a bhaint amach faoin bhealach chun cinn.
